Overview

The Epson EB-935W provides larger-than-life, widescreen images and astonishing brightness with 3,700 lumens of colour brightness and 3,700 lumens of white brightness.

Connect your projector to your laptop or Blu-ray® player via HDMI, to enhance your presentation. Or, with the addition of a wireless adapter you can display and control content from your iOS or Android™ mobile device with the Epson iProjection™ App. You can even present over the network, broadcast important messages and monitor and control networked projectors remotely.

KEY FEATURES & BENEFITS

- 3 x Brighter Colours*, and reliable performance – The Epson EB-935W driven by 3LCD, 3-chip technology, delivers up to 3,700 lumens of colour brightness and 3,700 lumens of white brightness. With this powerful projector you don't have to dim the lights or close the windows in order to see a bright, clear image.
- Larger-than-life, widescreen images – Native high-definition WXGA (1280 x 800) resolution and 16:10 aspect ratio.
- Network connectivity – With Epson's EasyMP® Monitor software, users can monitor, control and present from a remote location.
- Tablet or smartphone connection via optional wireless – With the addition of a wireless adapter, you can display and control content on your EB-935W from your iOS or Android device with the Epson iProjection App.
- HDMI Connectivity – Deliver both audio and brilliant HD video content with just one cable.
- Advanced 3-in-1 USB Plug 'n Play instant setup – Transmit Images, Sound and Mouse Operation through one USB cable.
- Fast, easy setup and image adjustments – Expand your projector placement or installation flexibility; get sharp, clear images with no digital distortion.

3x Brighter Colours with Epson*

Brilliant image quality requires high colour brightness (colour light output), and Epson® 3LCD projectors have 3x Brighter Colours than leading competitive projectors*.

One brightness measurement (lumens) is not enough. A projector's specification needs to show both high colour brightness and high white brightness. If colour brightness is lower than white brightness, images may be dark, dull and lose detail. If not be sure to ask for a projector's colour brightness specification.

** Compared to leading 1-chip DLP business and education projectors based on NPD data, July 2011 through June 2012. Colour brightness (colour light output) measured in accordance with IDMS 15.4. Colour brightness will vary depending on usage conditions.*

Remarkable Widescreen performance

The EB-935W features WXGA resolution (1280 x 800, 16:10 aspect ratio), making it ideal for use with the latest-generation widescreen computers. It gives you 30% more image area than a 4:3 image and 10% more image area than a 16:9 image. The EB-935W will still allow you to display 4:3 and 16:9 content.

Network connectivity

Project presentations over the network, transmitting both audio and video with a single connection. With the EB-935W you will be able to display images from any networked location, or, in up to 4 different rooms simultaneously. You can also connect wirelessly, via a network access point, to promote collaborative sharing and an engaging working environment.

The EB-935W allows you to easily monitor/control networked Epson projectors remotely, using the RJ-45 connector and EasyMP® Monitor software. You will save time and maintenance costs by powering projectors on and off without having to go to each individual room; by setting schedules for automatic events. You can also receive email alerts when attention is required.

Tablet or smartphone connection via optional wireless

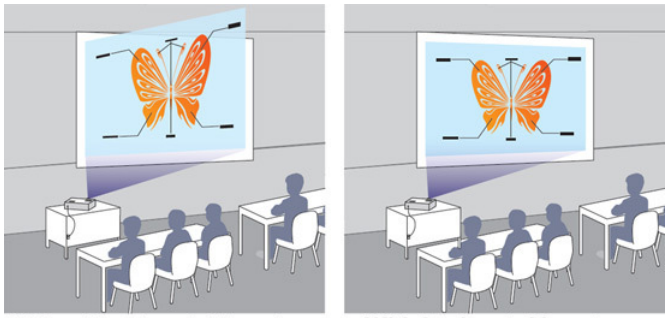
With the addition of a wireless adapter you can display and control content from your iOS or Android device with the Epson iProjection App. Whether projecting a PowerPoint presentation loaded to the iProjection App or a photo slideshow from your tablet, Epson's iProjection gives you the wireless freedom you've come to expect from your mobile device. This App is easy to use and navigate with intuitive menu options that make it simple to bring your content to the big screen.

Best-quality video

With HDMI digital connectivity the EB-935W can receive both audio and brilliant video content with just one cable. It also makes the EB-935W compatible with the latest laptops, Blu-ray and media players.

Advanced 3-in-1 USB Plug 'n Play instant setup
The EB-935W enables you to display your presentation, transmit audio and use your mouse to control your presentation all through a single USB cable. Remove the need for separate VGA and audio cables with this neat and simple solution. USB Plug 'n Play is Windows® and Mac® compatible.

Fast, easy setup and image adjustments
The EB-935W's 1.6 x optical zoom allows for greater flexibility of projector placement or installation. The vertical and horizontal keystone correction offers easy picture adjustments and allows for off-centre positioning of the projector while still displaying a correctly proportioned image. Finally, Quick Corner® gives the user the ability to move any of the four corners of an image independently, to adjust for a perfectly rectangular picture.



*Colour brightness (colour light output) and white brightness (white light output) will vary depending on usage conditions. Colour light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118.

Specification

PRODUCT NAME	Epson EB-935W
PRODUCT CODE	V11H565053
WHAT'S IN THE BOX	
	EB-935W projector, 1.8m power cable, 1.8m VGA cable, remote control, batteries x 2, projector software Ver. 1.00b (CD ROM), Manual
TECHNOLOGY	
Projection System	Epson 3LCD, 3-chip technology
LCD Panel	0.59-inch with MLA(D8)
OPTICAL	
Zoom	1 - 1.6 (Optical)
Screen Size	29" to 280" [0.84 to 8.4 m] (Zoom:Wide) 29" to 280" [1.36 to 13.9 m] (Zoom:Tele)
Projection Distance	60" screen 1.79 - 2.92 m
Throw Ratio	1.38 (Zoom:Wide), 2.24 (Zoom:Tele)
Projection Lens F Number	1.51-1.99
Projection Lens Focal Length	18.2mm-29.2mm
Focus Method	Manual Focus
Offset	10:0
IMAGE	
Colour Light Output	3,700 Lumens
White Light Output	3,700 Lumens
Resolution	WXGA
Native Aspect Ratio	16:10
Contrast Ratio	2,000:1
Lamp Hours	Normal/Eco: 3,000/4,000 Hours
Lamp Type	275 W UHE (E-TORL)
Keystone Correction	Vertical: -30 to +30 degrees Horizontal: -30 to +30 degrees
CONNECTIVITY	
Input: Video	1 x RCA (Yellow), 1 x S-Video, 2 x Component (via D-sub 15-pin)

Input: Computer	2 x D-sub 15-Pin (RGB), 1 x USB 2.0 type B
Input: USB Memory Device	USB Type A Ver.2.0
Input: Three-In-One USB Display	1 x USB 2.0 type B
Input: Digital	1 x HDMI
Input: Audio	1 x RCA (Red/White), 2 x Stereo mini jack
Input: Control	1 x USB 2.0 type B, RS232C
Input: Epson USB Document Camera	1 x USB 2.0 type B
Network I/O:	1 x RJ45 (100Mbps)
Wireless Connectivity	Optional Accessory (ELP-AP07)
Output: Video	1 x D-sub 15 pin (black moulding)
Output: Audio	1 x Stereo mini jack
Speaker Output	16W
ADVANCED FEATURES	
EasyMP Network & Control	Yes
EasyMP Network Projection	Yes
PC Free Presentations	–
USB Plug 'n Play	Yes
AV Mute Slide	No
